**Lyrics :**

no one else has seen this before so heres a sneek peek at this song

kerege

I wish i knew it from the start  
that we wer never gonna start  
i saw you frist you made me druel  
but now your breaking my heart

ch:cuz ill never be aloud in kerege  
you blocked fromt he start  
you dint even give me a change  
turns out to be a waste of time

i wanted you so bad you wer the best thing i never had  
i still wish i was wit you theres so much that we could do

cuz ill never be aloud in kerege  
turns out to be a waste of time

but now im over you now  
that we are never gonna start  
turns out to be a waste of time  
you blocked me from coming in  
cuz ill never be aloud in kerege  
turns out to be a waste of time
