**Title :** shit on you

**Lyrics :**

leave me alone right now or else ill shit on you get me the fuck outa this town or else ill shit on you you konw  
yull never be a pretty one help me get out of bed help me back in my headAnd if you dont do all of this when i  
ask you to i will shit the fuck allover you. get me the fuck out of here or else ill shit on you dont callme your  
little dear or else ill shit on you dont tell me \*try to calm down\* or else ill shit on you dont give me a shitty  
frown or else ill shit on you again (scream for as long as possible, as loud as possible)(scream i hate you)  
\*you suck balls. dont make me shit on you \*
