Title : GUNS AND KNIVES

Lyrics :

Girl, I love when you're around.
You bring uniqueness to my boring days.
Oh, I love when you're around.
You make me feel good in every way..

Come back to me,
Oh, come, back to me..
Because, Girls from Oregon
Don't collect guns and knives..

... I've thought about you now..
The thought of you is always on my mind
It makes me say, Wow!
I'll love this girl until the end of time..

Come back to me,
Oh, come, back to me..
Because, Girls from Oregon
Don't collect guns and knives..

Girl, what else did you do now?
Must you be something so far away?
You're nothing to me now.
I never wanted you to be this way..

Come back to me,
Oh, come, back to me..
Because, Girls from Oregon
Don't collect guns and knives..
