

Band name : [*The Shitworker*](#)

Posted by [Johnny C.](#) on **Wednesday, May 10th2006 at 06:37 AM**

while I'm normally put off by "one man bands" (an odd prejudice of mine) something about this guy really changed my mind. Maybe it was his style of work: "no fuckin' digital audio recording!!!". Or Maybe I just love the garage band thing. Anyway it didn't suck so listin to it.
