

Band name : [the detectors](#)

Posted by [Danny Crucial](#) on **Sunday, April 9th2006 at 10:50 AM**

This is the reason I signed up for punkrock.org - to find bands I would not otherwise be able to find. "I keep my mohawk" is a great, well performed song. The other songs are a little too pop-ish for me, though they are good.

Keep an eye on these guys, hopefully they will be in your town soon.
