

Band name : [AX-Minster Scotchgaurd & The Numskulls](#)

Posted by [Danny Crucial](#) on Tuesday, April 25th 2006 at 09:56 PM

Melodic and angy... I like it.....And they don't take themselves too seriously.

I would go to see them (if they make it to the U.S.) and I would even buy the CD at the show (something that doesn't seem to happen anymore).

Keep going, you have something.
