Ok basically you place your middle finger on the second string of the second fret strum three times

-----

The after that you Place your index and middle finger on the fifth fret place your index finger on the second string and place the middle finger on the sixth string. Strum six times.

-----

This is the chorus basically place all fingers on all string strum while moving your fingers down the neck of the guitar.

-----

And repeat that and you have the song. Repeat it twice THEN you have the song. :D
